Whitfield Statement

Treasurers prepared financial Reports for 2017 from Parish accounts. Each set of accounts was agreed by the relevant BRICC and then passed to their respective auditor. The Benefice Finance Committee ratified the final audited statements and summary enclosed in this document.

Next year the accounts will be brought together incorporating accounts from each BRICC and the Benefice in the same format.

Benefice Summary

During 2017, the Benefice paid £42,980 to the Diocese, this represents 77% of our total commitment. This means we had a shortfall of £13,020 in our payments to the diocese. We will not have to pay this but the Diocese will have to find it from somewhere in order to pay their commitments. All parishes are concerned about the decrease in regular giving and collections. We hope that the new service pattern will lead to an increase in collections.

Note that prior to 2017 Staff expenses were not divided into travel, missions and ministry and office expenses. The £6464 was labelled staff expenses in 2016 and would now be split between these three headings. £3238 in fees from 2016 was distributed in 2017 and we received and spent £1000 more on Benefice Events, taking these into account 2016 and 2017 expenditure is similar.

All other Benefice costs were met leaving a balance of £127 in the Benefice account.

The Benefice raised over £2,206 for charities in 2017.

We expect to pay £45,000 to the diocese this year and expect our Mission and Ministry costs to be £12,500. These will be met by fees received from Weddings and funerals, benefice fundraising and £5770 from the contributions made by BRICCS.

Helmdon Summary

During 2017, Helmdon paid £15,424 to the Diocese, £424 of which was contributed by Radstone. £1,000 was credited to the 2016 balance by Peterborough. £14,424 represented 78% of the Parish share we had agreed to for 2017. We do not have to pay the £4000 shortfall to the Diocese so our balance at the start of 2018 is £1146.

We paid £4,180 to the Benefice (100% of contributions due). £1,000 of this represented payments due from 2016. In the accounts, a further £206.55 is shown, reflecting payments for casual vicars and an organist for a Christmas service.

We raised £761 for charity in 2017.

In 2018 we have committed to pay £16,020 towards Diocesan and Benefice costs and we expect our BRICC expenses and contributions to charity to be £5,540. St Lawrence at Radstone is still not in use so no budget has been set.

I have examined the Receipts and Payments Account as at 31st December 2017 on pages 1 and 2.
